

School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

School Improvement

The Early Years Classroom has been a focus over the last few weeks to try to create some space and to brighten the room. Both Mrs Greenwood and Mrs Death (who is officially starting after Easter) have been extremely busy already! We have new displays evolving and lots of new ideas about how to adapt the curriculum to meet the interests of the children.

In Class 3 our reading area is up and running and all of the children are enjoying deciding how to spend their time here. We have had suggestions such as : share a book with a friend, choosing a book that you wouldn't usually choose or even reading a non-fiction or poetry book.

Books for Africa

During our sorting out in school we have found lots of old books, duplicates and teaching resources that we were reluctant to throw away, but no longer of any use to us in school. Through a contact from Mr Kricka we have been able to arrange for these to be donated to a village in Zimbabwe. They will travel there on a converted bus after Easter.

Class Readers

Across the school we have also been re-viewing our class readers - here are some of the titles we have for this year.

Parking Plea

Over the last few weeks more cars have been parking outside in the mornings and evenings and this is beginning to create a problem again with passing motorists. Please could you either drop and run in the mornings or park at the rear of the Community Centre car park to try to help alleviate this. Many thanks to those of you who each day walk backwards and forwards from the Community Centre to try to help.
