

### School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”  
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

### Hadleigh Pyramid Cross-Country

My cross-country experience was very good. To start off, we went on a coach to Hadleigh High School. Eventually, we arrived at the high school and sat in our school groups at the edge of the course. The under 9 (year 3 and 4) girls went first, then the under 9 boys followed by the under 11 girls and boys. I cheered for everyone as they ran, I felt like I was losing my voice by the time it was my turn to run. Miss Clarke led a warm up before we lined up on the start line for the beginning of the race.

I started with a slow jog and by the half way mark I had a stitch but I kept going because I was determined to finish. I saw girls in front of me so I kept jogging and jogging and jogging.

Finally, I saw the end. The rest of our school were lined along the finish line cheering. I felt a pump of adrenaline rush through me.

Sprinting, I overtook two girls and crossed the finish line and claimed my certificate. I placed 20th out of around 45 girls in my race. Even though I knew I hadn't won, I felt very proud.

Once all of the races had finished, Miss Clarke announced which school in each race had won overall. The under 9 girls came third, the under 9 boys, under 11 boys and under 11 girls all came second. Even though our school didn't win we were ecstatic with the result and all felt an amazing sense of achievement. It was a great experience! Written by Lilia (Year 6)
