

School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

Spirited Arts Week

To enhance our RE curriculum each year as a school we like to take part in a 'Spirited Arts Week'. This year the children looked at the theme of "We have far more in common with each other than that which divides us." This is a quote from Jo Cox MP and was arranged through the Jo Cox Foundation.

This theme is about the question: Are we one human race, despite our differences and divisions? We are all different, and all religions are different – but are we all the same too? Can we all be united? What holds humanity together? Is it faith? Hope? Love? Music? What threatens to tear us apart? How can we overcome the divisions that affect us?

Each class chose to interpret their responses in different ways and through a range of media. We have a display from each class in school to celebrate this work.
