Sports and Wellbeing Week

This week in school we have celebrated our Sports and Wellbeing Week. This began, on Monday, with a morning of field events. The children completed a range of activities that included age appropriate challenge's alongside their buddies. On Tuesday (after a delay for some rain) we held a family picnic on the school field followed by our annual traditional sports race. This was a super afternoon which everyone seemed to really enjoy. Thank you to the parents, children and staff for trying their best and supporting with such thoughtfulness.

On Wednesday, the children spent some time learning about, and taking part in, Indian dancing with those who wanted to, dressing in authentic clothing. The smiles and complete focus were truly a wonderful sight.

On Thursday, Mrs Beckett held Pickle Ball sessions with each class to teach the children a new game. The enthusiasm and excitement, I am sure, could be heard from far afield!

On Friday, Emerald Class took part in trampolining at Hadleigh High School which is always a valued opportunity.

Through the remainder of the week, the children have been working on their Spirited Arts project theme of Green faith, green future? (God's good earth). This work will be entered into the Spirited Arts competition. Pictures of the displays following this work will be included in the next newsletter.
