

School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

World Book Day

The theme for this year's World Book Day at school was diversity and the children were set a challenge to turn their classroom door into a book cover (pictured). The children in class 3 also performed 'The World Book Day Oscars' and presented a range of books with awards for the way that they celebrate diversity.

We chose this theme in school to foster an understanding of the wider world and what better way to show this than through books. We have been very busy in school too, reviewing our reading material and restocking the library with books that feature characters and authors from around the world. All of which can be found in the diversity section. Be sure to check the English page on the school website to see how we have been getting on.

Parking Outside School

A gentle reminder that we are only permitted four cars outside the front of school and these should be parked totally within the designated area.

The school car park is unfortunately only to be used by staff and by blue badge holders unless agreed by the Headteacher.
