Diocesan Multi Academy Trust

### Head Teachers Notice

Welcome back after the half term. I do hope you managed to enjoy some of the unseasonably warm sunshine. We have a lot going on this half term -hopefully you can attend some events!

### Class Assembly

Parents are invited to class assemblies to celebrate and share the children's learning. Dates will be advertised in due course:

Emerald Class Wed 20th Mar 3:00pm

Ruby Class Summer Term 1

Sapphire Class Summer Term 2

Diamond Class Leavers

Dates will be spread across the next year more evenly.

### Parent Forum— Fri 15th Mar

The next parent forum will take place from 3:30—4:00pm on Fri 15th Mar.

The focus of the discussion will be Behaviour. Please forward your questions to the school office.

### School Dinner Money

Just a reminder that school dinners should be paid for in advance. Payment will need to be made on a Monday or on the first day of a new term. It would be of a greater assistance if dinner money was paid weekly or half termly. All monies should be placed in a named envelop. Free school meals are available subject to certain criteria. For further information please contact the school office.

### Class Attendance

As part of our School Values we are inviting grand parents to have lunch with their grand children on Thu 21st Mar from 11:30am—1:00pm. A letter will be sent out with more details, menu and a reply slip for those wishing to attend.

### Daily Mile

On Thursday we launched the Daily Mile initiative. Children will take part in a jog, skip, run, hop around a designated course within the school grounds for a duration of 10—15 minutes. One of the key indicators for Sports Premium funding is that *“children engage in at least 60 minutes of physical activity a day of which 30 minutes is within school.”* Children's achievements in this daily event will be recognised in Celebration Assembly each week.

Ruby Class: 95.79%

Emerald Class: 97.33%

Sapphire Class: 97.28%

Diamond Class: 97.19%

#### Calling All Scientists!

This year British Science Week will take place from 11-15th March. We have lots of exciting activities planned for children in school, but I am appealing for any volunteers who work or volunteer in an area of science to join us for assemblies this week, or a class at the beginning or end of the day if that were more convenient, to talk about their jobs or area of interest to inspire the children. If you are available, please come and speak to Ms Jary.

### Attendance: Please be on time.

There has been a number of children arriving late in school. The impact that this has on a child who is late is significant as they will miss out on the initial preparations for their learning. This in turn raises their levels of anxiousness and reduces their ability to concentrate. In other words it does not support their learning! In addition the school is responsible for reporting persistent absentees of less than 90% to the Education Welfare Officer (EWO).

### World Book Day Thu 7th Mar

We will be celebrating World Book day by inviting children to bring in a photograph of them reading their favourite book (shelfie). Or reading in an unusual location. The children will have opportunities to share their favourite book and display their picture in the school.

If you have a concern for a child's safety or wellbeing, please contact Customer First (24hr service): Tel: 0808 800 4005

In school please speak to our Designated Safeguarding Lead Mrs Donaldson; Alternative DSL Mr O'Malley; Named Governor for Safeguarding Mr Hugo Carter or Chair of Governors Mrs Deborah Bennett.
