Our goal for Art and Design education is that children are able to use their creativity to interpret and respond to the world around them, through the 'big ideas'/gems:

Music

Our goal for Music education is that children are confident to appreciate, create and perform music, through the 'big ideas'/gems:

PSHE

Our goal for PSHE education is that children know how to be safe, healthy and emotionally regulated, so they can manage their future lives in a positive way, through the 'big ideas'/gems:

Hintlesham and Chattisham CofE Primary School Curriculum

At Hintlesham and Chattisham our School Vision and Christian Values together with our British Values are intrinsically linked and underpin all that we do within school. Our Curriculum and ethos are based around these and are modelled each day across our whole school environment.

Community

As a Church of England School, our ethos of mutual respect for all people, regardless of faith or belief, is embedded in all that we do. Community is central to the Christian faith. We are all part of God's family, which means that we all belong together. We strive to facilitate links across our school, with our local communities and in the wider world to ensure that all children have a sense of belonging and a respect of diversity, equality and British Values, becoming a beacon for others.

Opportunity and Possibilities

We work to broaden our children's horizons and expand their knowledge of the world through exposure to a wide range of life's opportunities and possibilities. This is both from within our Curriculum and through a wide range of enhancement opportunities that include Outdoor Learning. We nurture their interests, encourage enterprise and instil fearlessness in accepting new challenges, resulting in belief that they can achieve anything that they set their mind to.

Significance

We take an approach to develop each child academically, socially, emotionally and spiritually believing that all are intrinsically linked. Each child is valued for their unique attributes. Those who are most able are further challenged to independently expand their skills and knowledge. Those who find learning more difficult are encouraged and given targeted support to embed skills, to develop at their own pace and to learn in a style that suits their individual needs.

Children feel a sense of purpose and value as they become part of the Hintlesham and Chattisham Church of England Primary School community and are guided and supported to become one of Jesus' precious gems that reflect His light as they learn.

- ### Our Key Curriculum Principles:
- Clear vision for learning - underpinned by excellent resources
 - Big Ideas/Gems – supporting intellectual development and retention through teaching
 - Excitement and Engagement – inspiring pupils to create a desire to learn through interesting, relevant, real and active experiences
 - Knowledge and Skills – structuring learning through the accumulation of related concepts and acquiring of skills in order to apply knowledge in a variety of situations
 - Vocabulary and Reading – focusing on the correct technical vocabulary and reading to allow pupils to understand, analyse and communicate
 - Personal Development – Supporting social, emotional and spiritual growth through our Christian and British values inspiring children to be the very best they can be

Outdoor Learning

Our goal for Forest School is that children develop skills for life, building resilience, confidence and self-esteem through the 'big ideas'/gems:

Maths

Our goal for Maths education is that children are able to solve increasingly complex routine and non-routine problems, through the 'big ideas'/gems:

Design Technology

Our goal for Design Technology education is that children are able to apply their knowledge, experience and practical skills to design solutions in real-world problems, through the 'big ideas'/gems:

Modern Foreign Languages

Our goal for MFL education is that children gain an increasingly greater understanding on their world and other cultures, through the 'big ideas'/gems:

Science

Our goal for Science education is that children become scientifically literate citizens who understand the world around them, through the 'big ideas'/gems:

School Vision: "Jesus is the light of the world... We are gems that reflect his light as we learn."

The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17) Our classes represent precious jewels, every individual sparkling gem, child and adult, has amazing potential. All are valued, and valuable, as God's children: his special treasure. Our Christian Values are embedded in the smoothing and polishing process, as we learn together to become the best we can be.
