

School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

Sports Reviews

U11 Sports Hall athletics—On Friday 20th January, we went to Hadleigh High school to do a Sports Hall Athletics tournament. When we entered the sports hall, we prepared for our first race which was the obstacle race. The girls went first, we had to run and jump to avoid the obstacles. Then it was the boys turn to do the same. After that, it was the over and under race which involved jumping over hurdles and through small tunnels. Each race had a turning board at the end of a lap which we had to spring off of to turn around. We had to pass a baton to the next runner each time too. The girls and boys then split up and the boys went and did their field events whilst we stayed and did some more track running races. In the field events, I did javelin, standing triple jump and chest push. The event was finished by a 4 by 4 relay with girls and then boys. It was a really fun day and I enjoyed competing against other schools. By Sophie C, Y5

On Friday we went to Hadleigh High School to participate in the Sports Hall athletics tournament. We arrived and Miss Clarke (Head of PE at HHS) told us what we were going to be doing, she explained that the girl's races would be first, so we cheered them on. After the girl's races had finished, the boy's races began. They were close races but the boys still tried their best. While the races were happening, the girls were doing some track activities, for example javelin, triple jump and standing long jump. After the boy's races finished, we swapped over. I threw a javelin quite far and then succeeded at the triple jump. At the end, Miss Clarke told us our places in the tournament, the girls came second and the boys came forth. Overall, I really enjoyed it and had a great day. Jack Y5

U7s Multiskills festival.—Year 2 went to Hadleigh High School on Friday 3rd February. They were put into mixed teams with children from other local primary schools and competed in eight different activities such as, bowling, throwing, dribbling and egg and spoon race. The children all did amazingly well and had a great morning, as did I!

This is what some of the children had to say: Louis: “I liked the football dribbling activity most.” Archie: “The Nerf rockets was my favourite one.” Eryn: “The thing I enjoyed was the throwing and the dribbling.” Liberty: “I liked the stepping stones.”

Breaktime Snacks

Just a reminder that children should only have fruit or vegetables as their snack at breaktimes. These should not be processed fruit or vegetables that come in a packet. Chopped fruit in a tub is fine. This is to reduce the litter we can experience in the grounds as well as reducing the cost to parents. Free fruit and vegetables are provided by the government for EYFS and KS1 and so we offer a selection of this each day.
