School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

School Improvement

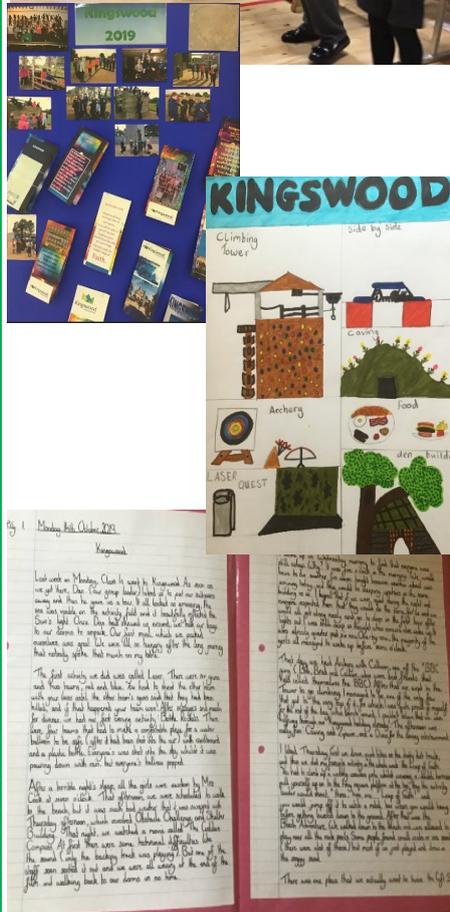

Over the holiday we had our hall floor resurfaced—it looks brand new!

Diamond Class Assembly

Kingswood Residential—Class 4

This morning we were invited to Diamond Class Assembly on the topic of their Kingswood Residential. They read us excerpts from and showed us some of the wonderful work that they had produced from this trip. Following this they performed a campfire song from the week that certainly kept us laughing.

French Theme

This week we had a French theme for the morning when we had Mrs Djimbi in to visit us in assembly to teach us some French that we might be able to use during the French themed lunch that day. She taught us how to say various foods as well as how to greet each other and to say please and thank you.

Could all children please bring a coat with sleeves and a hood (or a hat) to school everyday. As it gets colder gloves are also useful. We try to get outside each break-time unless the weather is really awful so this will really help—thank you.
