## Christmas Fayre thank you

A huge thank you to everyone who supported the Christmas Fayre. Together, we raised a massive £1,200 on the day with Barclays Bank kindly match-funding the first £1,000 we raised so an additional £1,000. This gave us an **amazing total of £2,200** for the school! Here is what some of the money is being spent on to support your child(ren)s education:

**£250** to each year group teacher to spend as they wish to support learning throughout the year (usually trips and workshops)

**£800** for the coach to take KS2 pupils to swimming lessons

**£600** on library books, printed materials and other learning resources

## The low down on the HSA – find out who, what and why!

The school receives very little funding so the role of HSA fundraising is very important in supporting the school and helping to enhance our child(ren)s education. We can only run our fundraising events with your support – in whatever capacity you are able to offer. You can be involved as little or as much as you'd like.

We'd like to invite you to drop in for a cuppa with us so we can share more about who we are, what we do and why we're doing it. Our aim is to raise as much money as possible for the school but we'd like to run events that you and child(ren) would like to attend/get involved in. We can only do this by listening to your views.

**Please join us soon (date to be confirmed) in the school main hall** before pick up (even if just to grab a survey to take away with you) to have a chat, meet other parents, tell us what you think and what you'd like to see on the events calendar, find out exactly what raised funds are spent on and how much of a difference the funds make to the school.

More information to follow shortly.
