### School Vision

“Jesus is the light of the world ... we are gems that reflect his light as we learn.”  
The Christian Bible talks of God seeing humans as his jewels in the making (Malachi 3:16-17).

### School Improvement

Over the summer we have had the hall, zone, and class 1 (Ruby class) redecorated and a new carpet put down in the zone. The other areas are on a plan for the next few summer holidays. We have also had some other small building works completed including four new windows, replacing a shed and removal of a water tank on the roof.

The Ruby Class Team have also been busy sprucing up their outside learning environment—pictures to follow.

In KS2 we will be launching the use of a new App called Just Imagine. This is to enhance our reading recovery curriculum by supporting independent reading and to encourage reading for pleasure and wider reading. Each of the KS2 classes have three different topic boxes of ten new books to choose from in addition to all of the usual books. More details will follow.

### Welcome Back

What a super two days we have had back in school. It has been wonderful to see all of the children back again, smiling and working so enthusiastically. Thank you also for all of your kind words and support, the staff have all worked incredibly hard to prepare the school for the children's return and are really looking forward to the term ahead. Obviously in the current Covid situation some things will be different as we move through the year, but we will keep you up to date with any changes that occur. We are already working on how we might hold online Harvest Festival and Nativity Celebrations so that you are still all able to join us.

### Lockdown Fundraising Achievement

During lockdown and the summer Otto has been fundraising for EACH by growing and selling sunflowers. He has been awarded a certificate for raising the phenomenal sum of £520.

### Pub Parking

We have been asked by Natasha and Daniel Foxlow to advise parents that due to insurance restrictions parking will now no longer be available at The George pub in the village.

We would like to extend our thanks to Natasha and Daniel for all of their support they have offered the school in permitting parking in their car park over many years and wish them well for the future.
