

Friday 8th February 2019

Head Teachers Notice

The children have had a busy week; they have taken part in lots of learning, leading to great achievements, which were celebrated in assembly today—Well done.

Lego Education Resources

We are participating in EADT Lego Education resources to schools promotion. Please collect tokens that appear in the EADT and Ipswich Star. Tokens will be available from Sat 9th Feb—Fri 3rd May. We would need to collect 1000 tokens for £50 worth of Lego. The school previously received £100 of books from the EADT promotion so please start collecting.

Verrucae's —PE

Verrucae's are only contagious in a damp or wet environment and often go unnoticed. PE activities such as dance and gymnastics require children to be in bare feet. Therefore parents are requested to check their child's feet. Children with a verruca will be required to wear a plaster for barefoot PE activities.

Exciting Egyptians

Sapphire Class are very pleased to have Mrs. Butcher joining them on Tuesday afternoons for Art and Design lessons based on our topic of the Ancient Egyptians. So far we have reconstructed the Nile in the classroom, made Ancient Egyptian jewellery, model boats and pyramids! Please pop in to take a look at our growing museum of artefacts!

Parent Forum— Fri 15th Mar

The next parent forum will take place from 3:30—4:00pm on Fri 15th Mar. The focus of the discussion will be Behaviour. Please forward your questions to the school office.

Inter Schools Swimming Gala

On Monday, 4th February pupils from Year 5 and 6 represented our school in the Swimming Gala, held at Hadleigh Pool. After an exciting afternoon, with some very close races, our team won the bronze award. Well done to all

Maths Mastery Workshop

Emerald Class are using Maths Mastery to develop a range of maths skills and strategies to solve maths problems. Mr O'Malley will be holding a maths workshop from 2pm—3:15pm on Tue 12th Feb. You will have the opportunity to learn and practice the strategies the children are using. It is intended to conclude the session with the children who will work with parents to solve maths problems.

The format will be as follows:
2:00—2:45 Discuss and share strategies and resources used in Maths Mastery.
2:45—3:15 Solve fluency and problems solving challenges with children from Emerald Class

- 22.03.19 Film Night

Class Attendance

Class attendance to date:

- Ruby Class: 96.74%
- Emerald Class: 97.10%
- Sapphire Class: 97.72%
- Diamond Class: 97.27%

Calling All Scientists!

This year British Science Week will take place from 11-15th March. We have lots of exciting activities planned for children in school, but I am appealing for any volunteers who work or volunteer in an area of science to join us for assemblies during this week. They could visit a class at the beginning or end of the day if it is more convenient, to talk about their jobs or area of interest to inspire the children. If you are available, please come and speak to Ms Jary.

Reading Detectives

Well done to the children from Emerald Class who took part in a reading activity at Elmsett Primary. We would like to thank Mrs Bryce for transporting our budding readers to the event.

If you have a concern for a child's safety or wellbeing, please contact Customer First (24hr service): Tel: 0808 800 4005

In school please speak to our Designated Safeguarding Lead Mrs Donaldson; Alternative DSL Mr O'Malley; Named Governor for Safeguarding Mr Hugo Carter or Chair of Governors Mrs Deborah Bennett.
