Headteacher: Mrs D Jackson

Important information:

P.E will take place on Tuesday this half term and a Friday for year 2. Children need to wear the correct P.E uniform to school on these days which is outlined below.

- Black or navy shorts
- Red T-shirt
- Trainers and plimsolls
- At certain times of the year, other items will be required, e.g. Plain, dark coloured jogging/tracksuit bottoms and jumper.
- Children are not allowed to wear jewellery for P.E. and long hair must be tied back.

Year 1 children will attend Wild Woods with Ruby class on a Friday afternoon so will need to bring long sleeve tops and trousers and have wellies stored in school.

Children should read at home everyday and this should be recorded in their reading diaries. The diaries will be checked regularly by school staff to ensure children get new books frequently. Therefore, the diaries and books need to be in school everyday. The phonics books will link to the books the children are reading in school. They will have these for three days (occasionally, this may extend to four depending on how far the phonics group has got in school). The children should read these books three times to develop speed and comprehension. Please could these reads also be recorded in the diaries. In addition, the children will have a book to share which can be read with or by an adult and a library book for enjoyment. These will be changed on a Thursday.

There will be a weekly spelling test on a Monday and the children will be given their new spellings the same day.

Curriculum:

English:

Emerald class will be looking at Dear Greenpeace to inspire a letter writing unit. They will then write stories before finally doing a poetry unit about the sea.

Maths:

Year 1 will be looking at position and direction, place value to 100, money and time. Year 2 will learn about statistics including tally charts, tables and block charts. They will then look at interpreting data. They will also learn about position and direction including turns.

RE:

In R.E, the children will be learning about why the Torah is such a joy for the Jewish community. They will learn what the Torah is and the festival of Simchat Torah. They will also learn some stories about Moses.

History:

The children will be learning about the seaside in the past and present. They will find out about what seaside holidays were like in the past using different sources and compare it to present day. This will be consolidated by a trip to the seaside.

PE:

Both year groups will be practising their athletics skills ready for Sports day. Year 2 are also doing a striking and fielding unit.

Computing:

This half term, the children will be developing their maths skills using technology. They will display their learning in a book. They will recap how to add images, shapes and drawing. They will also explore maths in their surroundings through photographs and online maths tools.

PSHE:

In PSHE, the children will be learning about what is the same and what is different about us. They will explore likes and dislikes, strengths and talents and how their personal qualities and traits are unique to them.

Art:

The children will have a focus on collage. They will learn what this is and experiment with different techniques. They will look at artists like Andy Goldsworthy and Patrick Heron for inspiration for their own collages.
