

Overview of teaching and learning of Art and Design

Intent

At Hintlesham and Chattisham C of E Primary we value the creative curriculum. The children experience a high-quality art and design education that builds their skills as artists and instils an appreciation and enjoyment of the arts. This will increase their self-confidence and sense of achievement. Children will develop their skills in drawing, painting, printmaking, collage, textiles and 3D. These areas are developed and refined throughout the school. Children are challenged to invent and create their own works of art, craft and design using the works of great artists for inspiration.

We encourage the children to choose from various media and resources and as a result, pupils will develop the ability to think critically and have a rigorous understanding of art and design. Children will gain an understanding on how art and design reflects and shapes our history as well as contributing to the culture, creativity and wealth of our nation.

The Big Ideas

- Inspiration – children will look at a range of artists and visual stimulus from which to be inspired.
- Experimentation – children will have the opportunity to experiment and practise skills taught.
- Expression – children will be able to express themselves through pieces of art and their views towards theirs and others' art.

Implementation

All children will:

- Undertake program of work as detailed in Suffolk Scheme of work for Art and Design to ensure progression of skills.
- Produce creative work to explore their ideas and record their experiences.
- Become proficient in drawing, painting, sculpture and other art, craft and design techniques.
- Have opportunities to evaluate and analyse creative works using art, craft and design language.
- Learn about great artists, craft makers and designers, and understand the historical and cultural development of their art forms.
- Visitors and trips will be used to enrich our art and design curriculum as appropriate.
- Target tracker (PITA and Statements) will be used to track curriculum breadth and the progress of pupils.
- The teaching and assessment of art and design will be monitored by the Lead teacher for Art and Design.

Impact

Pupils will be able to use a range of art, craft and design techniques to explore and record their ideas and experiences. They will be able to use appropriate language to evaluate and analyse creative works. Pupils will know how art and design reflects, shapes and contributes to our culture, creativity and wealth.
