

Overview of teaching and learning of Music

Intent

Children at Hintlesham and Chattisham C of E Primary will experience a high-quality music education that engages and inspires pupils to develop a love of music and their talent as musicians. This will increase their self-confidence, creativity and sense of achievement.

The children will have the opportunity to listen to music from different historical periods, genres and traditions. They will express their feelings on the music and progress to think about defining features and instrumentation. The children will also have the opportunity to perform music, developing their sense of musicianship and building confidence in front of an audience. They will look at the elements of music and develop skills of composition, allowing them to be creative with their ideas.

The Big Ideas

All pupils at our school will gain regular experiences musically so that they can:

- Appraise
- Experiment
- Perform

Implementation

All children will:

- Perform music either by singing or playing instruments. Opportunities will be given to perform to parents and the wider community in assemblies, church services or the EYFS & KS1 nativity and the KS2 summer show.
- Listen to, review and evaluate a range of styles of music.
- Learn to sing and to use their voices, to create and compose music on their own and with others.
- Have the opportunity to learn a musical instrument either with in music lessons or by forming links with external providers.
- Use technology appropriately to compose and perform.
- Understand and explore how music is created, produced and communicated, through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.
- Visitors and trips have enriched our music curriculum:

Recent: Christmas pantomime, steel drum workshop and performance and Rocksteady concert and rock band lessons.

Previously: Snape (Benjamin Britten), Rock School, County Music Service teachers for KS2, Rock and Roll pantomime

- Target tracker (PITA and Statements) will be used to track curriculum breadth and the progress of pupils.
- The teaching and assessment of Music will be monitored by the Lead teacher for Music.

Impact

By the end of their time at Hintlesham and Chattisham C of E Primary, pupils should be able to sing and play musically with increasing confidence and control. They will have been able to perform regularly to a variety of audiences to develop their self-esteem and creativity. Also, they should develop an understanding of musical composition and be able to reproduce sounds from aural memory.
