

Our Lord,

Thank you for our school community-we are all your precious gems and we will reflect your light as we learn.

With faith in our hearts, please help us to embody our school values because:

**in showing kindness, we will bring happiness to others
in showing creativity, we will inspire others
and in showing respect, we will make others feel special.**

Let these values shine within us all this day and evermore, as we learn together to be the very best we can be.

Amen
